Organizations dedicated to a diversity program or looking to create a new diversity initiative can easily capture diversity data from their firms.
TyMetrix® 360° Diversity Module

Key Features

- Tracks both organization and timekeeper diversity data, including:
  - Gender
  - Minority status
  - LGBT status
  - Veteran status
  - Flex time status
  - NAMWOLF (National Association of Minority and Women Owned Law Firms) status
- Client-customizable data fields allow for additional categories or revisions to current ones to match your internal vocabulary and diversity tracking
- Collects diversity data from your firms using Data Exchange; diversity data can also be entered directly by clients or law firms.
- Displays law firm and diversity information from Legal Analytics dashboards or from built-in reports
- Pre-built reports provide the ability to track diversity trend data for law firms and timekeepers
